### **The Baby Bargain Once a Marine 1 by Jennifer Apodaca**

Blah . That was my response while reading and after reading The Baby Bargain. Normally, I'm a sucker for a baby story, especially when we get to see the father and child interact. Nothing mattered in this story. It's like something you've read fifty times before and it lacked any sort of originality.

Unfortunately, I had a really tough time finding my groove with this book. Adam, the male lead in the story, rubbed me the wrong way from the very beginning. Demanding, pompous, and arrogant. Definitely, not male lead material. Ironically, I am drawn to the alpha male a\*\*holes, who eventually break down, and let love in. But that is not the vibe I got with this book. Really, just didn't do it for me.

The blurb for The Baby Bargain led me to believe the story would focus entirely around Lynn and JC, but Diana Tobin wove a compelling community and complex family into her sweet story.

**The Baby Bargain A Once a Marine Series Book Kindle**

The Baby Bargain is a short, sweet, wonderful romance with a hint of mystery/suspense. I loved it. I would really like to see Jennifer Apodaca take on a full length romantic-suspense, I think she would be very good at it.
