The Big Book of Abs Muscle Fitness 9781600780318

Every page is in color and they show you exactly what to do and what to eat to get the abs you want. I thought this book was only for men, but it's also for women. They have photos of women doing some exercises and also profiles on women body builders. This book is kinda like "The Abs Diet" but with more photos and explanations. My copy of this book has no advertisements.
