The Boggart and the Monster The Boggart 2 by Susan Cooper

"The Boggart and the Monster" by Susan Cooper is a fun romp which I found to be even better than its predecessor "The Boggart". In TB&TM, several years have gone by since Canadian siblings Emily and Jessup managed to send the wayward boggart back to his ancestral home in Scotland. As Emily, Jessup, and their parents head back to Scotland for a visit, they encounter a visiting scientist on his way to explore the mystery of Loch Ness.
