The Boggart A Puffin Book eBook Susan Cooper Amazon de

The Boggart is one of the best books I have ever read. It's about a supernatural prankster who has lived with a Scottish clan for centuries. When the last clan chieftan dies, a distant relative inherits the castle where the Boggart lives. The Boggart ends up in Canada, where he causes all sorts of trouble. I think that everyone would love this book.

Best Read Susan Cooper Omar Rayyan The Boggart

I am a big Susan Cooper fan, especially of The Dark is Rising series. I read this book because I am interested in boggart lore and there is a fair amount here in this story of a Canadian family who travel to Scotland when the dad inherits a castle there.
