The story of the Baltics under Stalin isn't well-known, and this book does a fine job telling it. Many of the key moments are drawn from survivor accounts, lending authenticity to an otherwise fictional tale.

The Ninja Librarian Book Review Between Shades of Gray

Between Shades of Gray, by Ruta Sepetys. YA Historical Fiction. Audio book, read by Emily Klein. First things first: this has NOTHING to do with Fifty Shades of Grey (Gray?), and it's almost a shame that the books came out about the same time, because it does Sepetys' book no favors to create confusion with a story of that nature.
