Eleanor Park Book Review Common Sense Media

Eleanor and Park's friendship and romance show that you can't judge someone by your first impression of them. If that had been the case, Eleanor would forever have thought of Park as the "stupid Asian kid" who cursed at her, and he would've considered her the big and off-putting weird girl. The story stresses the importance of standing up for those you love, having a relationship based on honesty and respect, staying true to yourself, and trusting parents who love you to understand.
