### **Native Son Richard Wright Google Books**

Native Son tells the story of this young black man caught in a downward spiral after he kills a young white woman in a brief moment of panic. Set in Chicago in the 1930s, Wright's powerful novel is an unsparing reflection of the poverty and feelings of hopelessness experienced by people in inner cities across the country and of what it means to be black in America.

### **Native Son Book Review Common Sense Media**

NATIVE SON, Richard Wright's classic novel of tragedy and violence, is intense. Wright is masterful in taking readers into Bigger's mind and explaining the processes that shape his behavior, emotional state, and decision-making process. Readers will be confronted with several uncomfortable and tragic issues, not the least of which is wondering whether the world is still anything like the one Bigger endures in the book.
