The Book of Awakening Having the Life You Want By Being

Mark Nepo's day book is a wonderful way to remember the importance of enjoying the details that make life a mystery and a gift. The book includes inspirational quotes, beautiful poetry, points for meditations and heart-warming glimpses of life. Although each day's entry is meant to be savored, I gobbled them all up and now will go back to holding them close to my life one day at a time.
