The Book of the City of Ladies or Le Livre de la Cit des Dames (finished by 1405), is perhaps Christine de Pizan's most famous literary work, and it is her second work of lengthy prose. Pizan uses the vernacular French language to compose the book, but she often uses Latin-style syntax and conventions within her French prose.

The Book of the City of Ladies Shmoop

The Book of the City of Ladies has one project: to show the world that men and women are as good as one another. We're not even talking equality in terms of ability, intelligence, emotional IQ, or memory recall. The arguments for that kind of equality came later.

SparkNotes The Book of the City of Ladies Plot Overview

Christine speaks to all women and declares the City of Ladies a refuge where they can find respite and safety from the sexual aggression and cruel attacks by men. She reminds the inhabitants of this community of women to stay strong and true and to uphold the noble virtues that have made the construction of the city possible. The city serves as a testament to the power and unity of women and of their own high standards and unshakeable virtue.

The Book of the City of Ladies by Christine de Pizan

In this book, written in 1405, the author is given examples (by Lady Reason, Lady Rectitude and Lady Justice) to help erect a 'city of ladies'. In part it is a metaphor of the city being built up of the reputations of great women, but it is also meant to be peopled with great and virtuous women too.
