The Lovely Bones Amazon de Alice Sebold Fremdsprachige

I ordered this book after hearing about it from a friend. I usually buy books from Amazon, but this time I should have gone with bol.com they have other editions of the book. This version is a pain to read. The spine breaks almost instantly, the glossy finish of the cover is starting to peel only after two days, the paper is harsh to touch, the font is ugly, the margins vary between 2 and 6 mm because of the careless production. By any means, buy this book, but avoid this horrendous edition.
