The Book Thief Book Reviews

Her mother disappears, and then Liesel is left in foster care. A great deal has been taken away from her. She steals books to settle the score. The Book Thief will be appreciated for Mr. Zusak's audacity, also on display in his earlier "I Am the Messenger." It will be widely read and admired because it tells a story in which books become treasures. And because there's no arguing with a sentiment like that.

The Book Thief Reviews Metacritic

The ending is honestly the best scene, the emotions and feelings are almost tangible, and though I cried, I had to read The Book Thief for class and it is one assigned book which was surprisingly enjoyable. The movie was just as enjoyable and followed all the book's key themes very well. The ending is honestly the best scene, the emotions and feelings are almost tangible, and though I cried, it was worth it to see that scene played out. A strong, moving film that I highly recommend.
