I like Steve Harvey, especially his book on 'Act Like a Success' so I thought I try this one. Hmm. Well. What a mistake. He seems to think he knows what all men want. Well I am a man and I want much different things. I think Steve is trying to be honest but he is giving his take on how he is with women and what he wants. I think his book includes a certain percentage of men, maybe 20-30%, maybe more. Who knows.
