The book was believed to have been composed by Enoch, the great-grandfather of Noah. Most critics and scholars believe it was begun in the second century BC and was a collection of works that includes writings for the first century BC as well. Some believe it contains the actual words of Enoch and that it was handed down through the ages. There is no real way to know for certain if that is so. The only thing we know for certain is that fragments of the book date back to the 2nd century BC.
