### **Broken Circle The Dark Legacy of Indian Residential**

Such a great book. Although many of the things the author talks about can be raw and shocking, it is done in a way that is strangely gentle, and does not take away the emotions and consequences behind each situation. This book would be a great resource for students to read in high school.

The book is packed with loads of action and suspense. I, like Mateo was waiting for the other shoe to drop, which I must say, dropped in a major way but that is what makes this book such a great read. Five stars \*\*\*\*\* all the way :-) read the first book BROKEN PIECES before embarking on reading this book.
