### **The First Phone Call from Heaven by Mitch Albom Goodreads**

The First Phone Call from Heaven is one of my favorite books written by my favorite author, Mitch Albom. His books are mostly about lessons of life and beliefs in God, and this one is no exception. The story began with some phone calls from the characters' late loved ones in a fictional Coldwater, Michigan.

### **The First Phone Call from Heaven A Novel by Mitch Albom**

Mitch Albom has developed a stellar career in writing thoughtful and imaginative books that bring wisdom and inspiration to the reader (see The Five People You Meet in Heaven, One More Day, and Tuesdays with Morrie, for example). The First Phone Call from Heaven follows quite reasonably in this vein of meaningful literature. Though the story is fictional, it bears the ring of possibility and touches the heart and soul throughout.

### **The First Phone Call from Heaven Bookreporter com**

The impact of THE FIRST PHONE CALL FROM HEAVEN will vary from reader to reader, but there is no question that you'll take away something. If nothing else, it may just provide some excellent food for thought about doubt, faith, heaven, and the power of forgiveness. Albom's latest work is definitely one for the keeper shelf.
