Call the Midwife Boxed Set Share book recommendations

Finally finished this 800 page book!! It's really 3 books in one: Call the Midwife, Shadows of the Workhouse & Farewell to the East End. The first book was the best, in my opinion. It had lots of stories that I've seen on the PBS series, "Call the Midwife". Book 2 was very sad, but also had some stories that were featured on the TV show.

Call the Midwife A Memoir of Birth Joy and Hard Times

This book introduces Jennifer, Chummy, Trixie, Cynthia, and the Sisters of Nonnatus House in Poplar, a poverty-stricken neighborhood in the East End of post-war London. I've now read all 3 books in the series, and strongly recommend that the reader start with this one. You'll soon decide if it's to your liking.
