Amazon com The Cambridge Illustrated History of China

First of all, this so-called illustrated history of China is mostly text and quite dry at that. A lot of history-telling is also quite confusing. The pictures are also mostly not very interesting to look at.

The Cambridge Illustrated History of China Patricia B

In this sumptuously illustrated single-volume history, now in its second edition, noted historian Patricia Buckley Ebrey traces the origins of Chinese culture from prehistoric times to the present. Both a comprehensive introduction to an extraordinary civilization and an expert exploration of the continuities and disjunctures of Chinese history, Professor Ebrey's book has become an indispensable guide to China past and present.

The Cambridge Illustrated History of China Patricia

Ebrey's Illustrated History is an attractive, accessible, and scholarly general history of China. Her approach is chronological, with one chapter on each dynasty/period (two on ancient China and two on the twentieth century), but she makes no attempt to provide a continuous political and military narrative only a few exceptional individuals

The Cambridge Illustrated History of China by Patricia

This history of China, with illustrations, is a wonderful look at the nation's history from pre-dynasty times to the present. It was fascinating to piece together Chinese dynasties against the time frame of history in the west and see the ebb and flow of this populous region of the world and how it came to be.
