Jen's cancer chronicles

The Macmillan Cancer Centre is also where I have access to my psychologist, as well as complimentary therapy (e.g. Massage and reiki *eye roll*). It s where I can pop in to the Living Room to make a cup of tea and probably make some new friends if I feel like it. It s where I could attend support groups if I needed them.

The Cancer Chronicles Unlocking Medicine's Deepest

The Cancer Chronicles by science writer George Johnson is a well written, well researched book. As the writer describes his wife s battle with cancer he takes us on a quick journey through the history & recent research concerning cancer. It was interesting to discover that dinosaurs had cancer and that fossils provide inconvertible evidence.
