### **The Case Against Faith Sam Harris**

It should be clear that this faith-based nihilism provides its adherents with absolutely no incentive to build a sustainable civilization economically, environmentally or geopolitically. Some of these people are lunatics, of course, but they are not the lunatic fringe. We are talking about the explicit views of Christian ministers who have congregations numbering in the tens of thousands. These are some of the most influential, politically connected and well-funded people in our society.
