The Chamber by John Grisham Goodreads Share book

I'm happy to say that that's not the case with *The Chamber*. This story has both the thrills and the heart and it carried through to the end. It was an exciting read, and tugs at the heart at the same time; I almost cried in some of the scenes.

A John Grisham Novel The Chamber Book Summary

The Chamber By: John Grisham Rating: 80% Brief Summary: A young lawyer makes a feeble attempt at defending his grandfather who is on death row. *The Chamber* is a unique book for John Grisham. Not because he wrote it as a book instead of as a movie. Not because the character development is better than average. But because (1) there is description and (2) Grisham is trying to preach a message in this book. He has done that before, but not too this extent.
