### **The Clan of the Cave Bear 1986 The Clan of the Cave**

Based on Jean M. Auel's novel, Clan of the Cave Bear is essentially a Tarzan premise, only instead of apes, our protagonist (the young Cro-magnon girl Ayla) is raised by a clan of Neanderthals in Ice Age Europe of 35, 000 years ago. This was around the time when the two species first came into contact.

**The Clan of the Cave Bear Earth's Children 1 by Jean M**

I came to The Clan of the Cave Bear at the Mission Viejo Library when the novel I'd wanted next -- The Witching Hour by Anne Rice -- was out. Wandering the hardcover fiction, a row of books at eye level with thick, colorful spines and the same author snared my attention. Published in 1980, this bestseller launched five sequels, a maligned film adaptation in 1986 and became an industry onto Jean M. Auel, whose published fiction has been dedicated solely to this Ice Age series.
