RELATED BOOK :

The Cold Six Thousand Wikipedia

The Cold Six Thousand has a structure substantially similar to that of American Tabloid. As in American Tabloid , the chapters are divided into named Parts (see Contents, below), and each chapter is numbered and identified by location and date.

The Cold Six Thousand Underworld USA 2 by James Ellroy

In The Cold Six Thousand, the characters aren't trying to make history, they're just trying to survive it. American Tabloid is one of my all-time favorite books. The second part of this trilogy has always been a bit of a disappointment to me. I read both again to prep for the release of the final book, Blood's A Rover.

The Cold Six Thousand eBook James Ellroy Amazon de

"The Cold Six Thousand" are in a way the sequel to "American Tabloid" telling the story of the murders of the John and Bobby Kennedy as well as of Martin Luther King and link those to organised crime and FBI-director Hoover. Surely not the novel to start an Ellroy-addiction with (better commence with "Brown's Requiem" - in my opinion still his best), but good once you are infected.

Observer review The Cold Six Thousand by James Ellroy

The Cold Six Thousand picks up where Tabloid left off, speedily, assumptively and, from a writer obsessed with excitement, transformation and scale, rather predictably.

The Cold Six Thousand by James Ellroy PenguinRandomHouse com

About The Cold Six Thousand The internationally acclaimed author of the L.A. Quartet and The Underworld USA Trilogy, James Ellroy, presents another literary noir masterpiece of historical paranoia . In this savagely audacious novel, James Ellroy plants a pipe bomb under the America in the 1960s, lights the fuse, and watches the shrapnel fly.
