### **Redoubt Valdemar Collegium Chronicles 4 by Mercedes**

This is the fourth in the Collegium Chronicles, again following trainee Mags. The story felt choppy, which is intended for parts of it, but I didn't feel the usual polish on the overall story with this one. The beginning of the book takes up pretty much where the last book left off, then about three quarters of the way through Mags is kidnapped and finds himself in Karse.
