I would strongly encourage any woman, young or old, who is looking for solid scriptural ways to increase confidence and feel better about herself, to take a look at what Joyce has to say regarding confidence. It hadn't been written yet, but I wish I could have read this book years ago as I was entering womanhood. I believe The Confident Woman will be an invaluable tool to help young women step into this time of life with a boldness that will help her attain the purpose that God has for her life.
