The Constitution An Introduction Michael Stokes Paulsen

The Constitution: An Introduction is the definitive modern primer on the US Constitution. Michael Stokes Paulsen, one of the nation's most provocative and accomplished scholars of the Constitution, and his son Luke Paulsen, a gifted young writer and lay scholar, have combined to write a lively introduction to the supreme law of the United States, covering the Constitution's history and meaning in clear, accessible terms.

Constitution Legacy Fleet Trilogy 1 by Nick Webb

The characters were believable and relatable, I loved their interactions. I completely got lost in this book, at times I would look up and realize I wasn't on the Constitution (it was a mix of shock, and gratefulness ha). The humor, I have never laughed out load at a book before. I wish there were more books like this with this type of humor.
