The Count of Monte Cristo Amazon de Alexandre Dumas

The Count of Monte Cristo is a epic read at 500,000 words. Took three months to read it. Many books are about 70,000 or slightly more so I'm counting this (in my head) as five books in one. Anyway, I'm now a massive fan of Alexandre Dumas and have downloaded all the free kindles available whilst I still can. Thinking about reading it, don't I mean don't think, do. You won't be disappointed.
