RELATED BOOK :

The Covenant Amazon de James A Michener Fremdsprachige

THE COVENANT is a very atypical Michener novel. While the historical perspective of a vast, undiscovered land (i.e. HAWAII, ALASKA) is vintage Michener, the pain and passion of his characters is handled in an almost dispassionate way as though the author was aware of the controversy surrounding this troubled land.

The Covenant novel Wikipedia

The Covenant is a historical novel by American author James A. Michener, published in 1980. The novel is set in South Africa, home to five distinct populations: Bantu (native Black tribes), Coloured (the result of generations of racial mixture between persons of European descent and the indigenous occupants of South Africa along with slaves

The Covenant by James A Michener

The Covenant is no exception. Michener's take on South Africa and its history is an honest attempt to give some perspective on one of the more complex histories that this history teacher has encountered. The book starts out strong (my edition was the two-volume hardback). The first volume was vintage Michener, but the second one dragged.
