The Double Daring Book for Girls by Andrea J Buchanan

The Double-Daring Book for Girls. Chapter One. On any given night, close to five thousand stars are visible. Of that number, perhaps half of them may be seen by the naked eye. If you live in a city or an area with lots of light at night, you may be able to see only two hundred or so at the most. Still, it is possible to observe the stars the way people have since the dawn of time.
