### **The Dragon Prophecy by Geronimo Stilton Goodreads**

The book The Dragon Prophecy is full of adventure. The writing was beautiful. The strength about the book is that the main character was brave enough to go save and find a lost dragon egg. The weakness about the book is that the main character would always be scared of heights. I would recommend this book to a classmate because I bet that would like a book is full of adventure and that saves a lost dragon egg. If there was more series about the book I would like to read it.
