The Eighty Dollar Champion Snowman the Horse That

The Eighty-Dollar Champion: Snowman, the Horse that Inspired a Nation is about a man and a horse. I know, that sounds super corny and we've heard that said a million times about a man and a fill-in-the-blank. But this really is. First, let me say that I am not a fan of the horse industry.

The Eighty Dollar Champion Snowman The Horse the

The Eighty Dollar Champion is one of the most uplifting stories of all time. It shows that you do not need everyone to believe in you. As de Leyer and Snowman showed the world, all they needed was to believe in each other.

Book Review The Eighty Dollar Champion Horse Rider

The first book I read is The Eighty-Dollar Champion by Elizabeth Letts. Here's a short summary of the story: In 1956, Harry de Leyer purchased a former plow horse off a kill truck for \$80 (about \$650 in today's economy). The quiet-tempered gelding became a favorite of the de Leyer children, who named him Snowman. He earned his keep as a lesson mount at the all-girls' school where de Leyer taught horseback riding.

The Eighty Dollar Champion Snowman the Horse That

THE EIGHTY-DOLLAR CHAMPION begins much like Snowman's career --- slowly. In addition to introducing readers to Harry de Leyer, a 22-year-old from Holland who immigrated to America in 1950 with his

wife, Joanna, and \$160 in his pocket, Letts sets the scene for what was going on in the country at the time.
