RELATED BOOK :

Ender's Game The Ender Quartet series Book 1 English

Ender's skills make him a leader in school and respected in the Battle Room, where children play at mock battles in zero gravity. Yet growing up in an artificial community of young soldiers Ender suffers greatly from isolation, rivalry from his peers, pressure from the adult teachers, and an unsettling fear of the alien invaders. His psychological battles include loneliness, fear that he is becoming like the cruel brother he remembers, and fanning the flames of devotion to his beloved sister.

Enders by Lissa Price Share book recommendations with

This is the second book in the duo-logy, the first book is Starters. I did not enjoy this but I did feel like it was a little bit better compared to Starters. But when I was going to rate this book a little higher, I realized that the main character was so annoying and how I just didn't enjoy it. So I decided to rate this book 2 stars.

Ender's Game Wikipedia

Ender's Game was included in Damien Broderick's book Science Fiction: The 101 Best Novels 1985 2010. The New York Times writer Gerald Jonas asserts that the novel's plot summary resembles a "grade Z, made-for-television, science-fiction rip-off movie", but says that Card develops the elements well despite this "unpromising material".
