The Exorcist 40th Anniversary Edition English Edition

The Exorcist was, and is, more than just a novel and a film: it is a literary landmark. Purposefully raw and profane, The Exorcist still has the extraordinary ability to disturb readers and cause them to forget that it is "just a story." Newly polished and added to by its author and published here in this beautiful fortieth anniversary edition, it remains an unforgettable reading experience and will continue to shock and frighten a new generation of readers.
