Charlie Higson is on fire with this series. If you have not read any of the series, I highly recommend to try it. The characters are unforgettable. I miss Dog Nut, Aron, Courtney. These books will make you cry, laugh, cheer and excite you. And don't think that because they are about kids dealing with "Sickos" that adults wont enjoy, well, I am in my 50's and I LOVE this series. Going to be hard to wait for book 6.
