### **The Fast and the Furriest Second Chance Cat Mystery Book**

The latest installment of Sarah and the gang is a good read. I don't think it was the best in the series, but it's still a very good book. The character interaction - Elvis included - is hysterical at times.

### **The Fast and the Furriest by Sofie Ryan Goodreads**

The Fast and the Furriest, by Sofie Ryan, is the fifth book from A Second Chance Cat Mystery series. In this book, someone from Mac's past shows up to see him and ends up meeting her maker. Sarah, her cat Elvis, along with Mr. P. and the Angels, must find the killer before Mac takes the fall for the crime. I love this series. It's filled with fun characters and, of course, a cat who seems to know when people are lying. Sarah is the owner of Second Chance, a shop that refurbishes items to sell.
