The Fifth Horseman Amazon de Richard Sherbaniuk

THE FIFTH HORSEMAN is an action thriller that starts at a supersonic speed and never slows down for a moment even if the heroic group's name is a misnomer. The story line is very exciting even if some of the actions of the characters appear far-fetched. Richard Sherbanluk creates a combination Indian Jones-James Bond thriller that will please the action-adventure crowd, who will demand more INERT tales.
