The Firm The Story of McKinsey and Its Secret Influence

In the 1940s, McKinsey introduced value billing : in simple terms, invoicing clients for what McKinsey believed its services were worth. Although the book describes the merciless system of up or out , it also mentions the strength of the growing network of ex-employees, who are affectionately called alumni , and the culture of sharing knowledge internally.

The Firm The Inside Story of McKinsey The World's Most

This book brilliantly exposes the path and the endpoint that McKinsey reached: a proponent of rationality and competence, within the limits of its new value system. This story is about evolution of the signature conflict of American values that now divides the nation.
