Muhammad s was a life of almost unparalleled historical importance; yet for all the iconic power of his name, the intensely dramatic story of the prophet of Islam is not well known. In The First Muslim, Lesley Hazleton brings him vibrantly to life. The First Muslim The Story of Muhammad by Lesley Hazleton

For this reason, I put The First Muslim on my reading list, where it sat for months until now. Hazleton, again, clearly presents complex material and unfamiliar (to me) history.
