The Foundling Goodreads Share book recommendations

The Foundling by Paul Fronczak is a true story about a boy strayed at childhood and connected to a kidnapping. I was extremely engaged because I'd never heard this story. The book quickly turns into a search through his past and continues on that path until the final conclusion.

Bayou Born The Foundling Series English Edition eBook

Each book and new series better than the last and guaranteed to be a ride you've never ridden before. Well done to Hailey and her team. My only complaint is I read the books in a day, and that leaves me with cravings and withdrawals until my next fix in the next book. Too long in between, I wish I could just snap my fingers and have the next book already here and ready; a steady non-ending supply of your stories, and characters, their senses of humor and the twists and turns of plots.

The Foundling by Georgette Heyer Goodreads

This is definitely one of the wittiest of her books that I've read. Gilly, our hero, is a quiet unassuming person but grows in character over the book. There isn't a romance as such. We know he's to be married and to who but we see very little of her in the book until quite near the end. It's a long story and we meet some queer and many characters along the way. This book has lots of cant and I enjoyed it thoroughly.

The Foundling English Edition eBook Cardinal Francis

I like books that are well-plotted, have interesting characters, are historically as well as practically accurate. The Foundling fills the bill! The Foundling fills the bill! Heyer's books would make wonderful made-for-tv movies as only the BBC can do it.

The Foundling The True Story of a Kidnapping a Family

The Foundling is a touching and inspiring story about a child lost and faith found, about the permanence of families and the bloodlines that define you, and about the emotional toll of both losing your identity and rediscovering who you truly are.

The History of Tom Jones a Foundling Wikipedia

The History of Tom Jones, a Foundling, often known simply as Tom Jones, is a comic novel by English playwright and novelist Henry Fielding. It is both a Bildungsroman and a picaresque novel. It was first published on 28 February 1749 in London, and is among the earliest English prose works to be classified as a novel.
