The Fourth Stall follows Mac and Vince's journey in hilarious and honest detail--Rylander really gets kids at this age, especially boys. I can recall being so consumed with a handmade jewelry business I ran in sixth grade that I forgot about school almost entirely. That's the case with these boys, as well. They fight for what they want, test their limits along the way, and realize that true friendship, in the end, is the greatest prize of all.

### **The Fourth Stall Part II English Edition eBook Chris**

We bought The Fourth Stall for our son on his 11th Birthday. He hates reading books but absolutely loved reading these. The author grew up in North Dakota and came to my son's school to visit. He signed both his books and his sister's as well, with it being her birthday he drew some neat pictures in them too. When we talked to him he was working on the third book which we can't wait to purchase our kids as well.

### **The Fourth Stall Part II The Fourth Stall 2 by Chris**

Chris Rylander's "The Fourth Stall Part II" was an alright installment to the series, but it's underwhelming compared to the first book. As the book progresses, Mac and Vince's personality gets questionable, and why they are fighting to impress a girl that is a grade above them. The book gets a little confusing at some point, and a weird ending.

**The Fourth Stall Part II by Chris Rylander Paperback**

I thought this Fourth Stall, Part 2, was even better than the first one with it's twists and turns. Really an enjoyable, fun read that you won't want to put down until you get to the end (good thing it's a quick reading, YA book!)
