The Fourth Stall Amazon de Chris Rylander

The Fourth Stall follows Mac and Vince's journey in hilarious and honest detail--Rylander really gets kids at this age, especially boys. I can recall being so consumed with a handmade jewelry business I ran in sixth grade that I forgot about school almost entirely. That's the case with these boys, as well. They fight for what they want, test their limits along the way, and realize that true friendship, in the end, is the greatest prize of all.
