RELATED BOOK :

Girl in Hyacinth Blue Susan Vreeland 9780140296280

Girl in Hyacinth Blue is a lovely historical fiction with a twist~the tale is told backwards starting from the present and working its way back in time. The main character is a painting~supposedly a rare original by Vermeer. Knowing nothing about art history, this means little to me. Luckily, you don't have to know art history to enjoy the book. You just need to enjoy reading.

Reviews of Girl in Hyacinth Blue Susan Vreeland

Throughout "Girl in Hyacinth Blue," Vreeland strikes a pleasant balance between the timeless world of the painting as a work of art and the finite worlds of its possessors and admirers--not to mention the world of its subject and its creator. Intelligent, searching and unusual, the novel is filled with luminous moments; like the painting it describes so well, it has a way of lingering in the reader's mind.

Girl in Hyacinth Blue Amazon de Susan Vreeland B cher

I enjoyed Girl in Hyacinth Blue, despite the fact that it was not as beautifully written as Girl with a Pearl Earring. I must admit that I was irritated that some of the little stories left many questions open, but that is because I became attached to the characters. An easy read, but one that leaves you moved and inspired.

Susan Vreeland Wikipedia

Susan Joyce Vreeland (January 20, 1946 August 23, 2017) was an American author. Several of her books deal with the relationship between art and fiction. The Passion of Artemisia is a fictionalised investigation of some aspects of the life of Artemisia Gentileschi, while The Girl in Hyacinth Blue centres round an imaginary painting by Vermeer.

usan Vreeland's second novel, "Girl in Hyacinth Blue," may be a book about a painting, but it is never content with surfaces. Tracing the influence of one extraordinary picture on a succession of human lives, it touches gently yet thoughtfully on such weighty topics as the immortality of a great artwork and the
