### **The Goodbye Quilt by Susan Wiggs**

The Goodbye Quilt details the meaning of motherhood for one woman; of what it means to love, to sacrifice, to let go and to believe. A scrap of fabric here -memories , a thread there -wisdom , each knot - hope and dreams , make up the tangible pieces of the quilt.

The Goodbye Quilt was a very slow moving story. It might be more interesting to someone who quilts. The mother's feeling were clearly described but not the daughters feelings about the quilt her mother was making. The story ended abruptly and I would have liked to know more about the mother's life after her daughter went to college and her daughter 's life through college and after graduation.
