A Visit From the Goon Squad Amazon de Jennifer Egan

Otherwise the book is well crafted and I appreciate its style and language. All in all for me "The Visit from the Goon Squad" is an interesting take on growing up and what it means to stay true to oneself and others over the course of time. Maybe not my favorite book or anything like that but very memorable in any case. I would advise it to anyone interested in modern english literature, who does not mind the slightly experimental (but interesting) concept.
