The Gravity of Birds by Tracy Guzman Goodreads

The Gravity of Birds by Tracy Guzman is a very typical book the plot and writing are both typical, as is the progression. There was little to separate it from the rest in terms of quirkiness or creativity. This doesn't necessarily make it bad, just something that you might want to be prepared for.

The Gravity of Birds Bookreporter com

THE GRAVITY OF BIRDS reads more like a complicated mystery than a novel. Most of the time, the reader has no idea what clue will reveal itself on the next page. It is a most unusual book, not especially easy to follow at times, but well written and definitely worth reading through to the end.
