### **The Great Depression A Diary Amazon de James Ledbetter**

The Great Depression: A Diary, edited by James Ledbetter, editor of Slate's "The Big Money," and Roth's son, Daniel B. Roth, reveals another side of the Great Depression - one lived through by ordinary, middle-class folks, who on a daily basis grappled with a swiftly changing economy coupled with anxiety about the unknown future.

### **6 Things I Learned From the Book The Great Depression A**

The Great Depression: A Diary, is one of the most fascinating books I've ever read. Benjamin Roth, a lawyer, kept a detailed diary from the early 1930s through World War II, observing in detail how the Great Depression affected average people. His son published the diary a few years ago. Here are six things I learned from the book. 1.

**Book Review The Great Depression A Diary or why buying**

However, Roth had a high awareness, not only of the stock market and investments in the 1920s, but also of economic recessions in the United States prior to the Great Depression. Roth didn't even own stock when the Great Crash hit (only 2.5% of Americans did), but he was highly aware of stock markets happenings and history.
