The Harmonica by Tony Johnston Goodreads Share book

The Harmonica is inspired by the true story of a Holocaust survivor. It is reminiscent to me of the film, The Pianist, sharing the theme of the power of music in the darkest time. This historical picture book follows a Polish boy into the concentration camp, Dyhernfurth. There, he plays the harmonica his father gave to him.

Love this book. Beautiful companion piece to The Book Thief. I'm a teacher, and this book caught the kids' hearts and helped them see how music is the universal voice, much like the role of the accordion in The Book Thief.

Harmonica Tab Books Harp Tablature for Howling Wolf

Tab books may have also have the melody, but usually, just have the notes for the specific harmonica parts and solos in a particular recorded song. For instance, a Bob Dylan songbook has the melody to a song like "Blowing In The Wind", but the tab book would show the harmonica parts that were played on the original recording.

Bob Dylan Harmonica Album amazon de

This book can be described quite succinctly as a disappointment. Speaking as someone who has spent hours searching the internet and various music stores for transcriptions of Bob Dylan's distinctly unique and reckless harmonica playing, I can say that this book fails to deliver what the title implies.
