The Healing Code Goodreads Share book

To be clear: I am not giving the actual idea of the healing code 1 star--I think meditation is great, focused meditation is great and love is great. I am giving this ridiculous book 1 star. This book was 219 pages of, "The healing code works! It's so awesome! It works! It's so awesome" and then one page of the actual idea. The author (I'm guessing) couldn't figure out how to make money on an idea that can be expressed on one piece of paper, so he wrote this waste of time.

The Healing Codes were previously referred to as The Healing Generator. This mistakenly caused some people to think we were talking about a type of machine. We have changed the name throughout this document. There have been four generations of The Healing Codes: ImageMaker Technologies, EnerVisions, The Healing Generator, and The Healing Codes.
