The Hidden Plague Primalgirl

My name is Tara and I'm the author of The Hidden Plague: a field guide for surviving and overcoming Hidradenitis Suppurativa. I help people overcome HS, other autoimmune conditions, lose weight and feel better about themselves. I've been living an ancestral lifestyle since 2009 and have utterly transformed myself. Be sure to subscribe for tips on how you can transform your life, too. Blessings and love.

The Hidden Plague eBook Tara Grant Amazon de Kindle Shop

This book is a lifesaver. HS is very difficult to live with. When my daughter gives up nightshades, her HS is under control. She never would have known that if she didn't read this book. It is an excellent resource and backed up with science. It sure is helpful to know why your body is reacting to certain things. I can't say enough about how important this book is. Thanks, Tara Grant for writing it.

The Hidden Plague by Tara Grant Goodreads Share book

The Hidden Plague is a great book for anyone suffering From HS, to give them a better understanding of what is going on with their bodies and an alternative way (through diet) to put your body in remission that is currently not recognized by many in the medical field. Tara Grant is extremely thorough and backs up all of her claims and research, giving you little reason to not trust what she is saying.
