RELATED BOOK :

The Highly Sensitive Child The Highly Sensitive Person

What is a Highly Sensitive Child? A highly sensitive child is one of the fifteen to twenty percent of children born with a nervous system that is highly aware and quick to react to everything. This makes them quick to grasp subtle changes, prefer to reflect deeply before acting, and generally behave conscientiously.

The Highly Sensitive Child Helping Our Children Thrive

Having read "The Highly Sensitive Person" before "The Highly Sensitive Child," I would "highly" recommend both books, especially if a parent suspects that his/her child may be highly sensitive, as well.

The Highly Sensitive Child Psychology Today

Another highly sensitive child, Lizzie at age eight, came home from school after seeing a bullying episode and just broke down crying. Criticism, defeat and the distress of others is something sensitive children feel deeply. A huge number of my private child clients are highly sensitive children.
