### **The History of the Medieval World From the Conversion of**

In her earlier work, *The History of the Ancient World*, Susan Wise Bauer wrote of the rise of kingship based on might. But in the years between the fourth and the twelfth centuries, rulers had to find new justification for their power, and they turned to divine truth or grace to justify political and military action. Right thus replaces might as the engine of empire.

### **The History of the Medieval World From the Conversion of**

The History of the Medieval World spans the history of the world from the conversion of Constantine through the first Crusade (picking up where *The History of the Ancient World* left off). It is told in a conversational, and sometimes very funny, format with lots of footnotes, endnotes, references, charts, pictures, and maps. I quite enjoyed reading it and am very happy to have learned so much
